JAFFREY MAN GUILTY
IN CHILD PORNOGRAPHY OFFENSE

CONCORD, NEW HAMPSHIRE: United States Attorney Tom Colantuono and Postal Inspector in Charge of the U.S. Postal Inspection Service Peter Zegarac, announced that Gregory Macey, 44, of Jaffrey, New Hampshire appeared in United States District Court yesterday and pled guilty to one count of possession of child pornography in violation of 18 U.S.C.A. § 2252A.

Macey was arrested in August of 2005 after ordering videotapes depicting child pornography from an undercover U.S. Postal Inspection Service investigator. A search warrant was executed at the defendant's residence at the time of his arrest. A computer and other evidence seized from the defendant's home revealed numerous images of children, including images of explicit child pornography. The defendant was indicted on the child pornography charge by a Federal Grand Jury on August 31, 2005.

United States Attorney Colantuono stated: "With improved coordination between law enforcement at every level, we'll be able to investigate and prosecute more sexual predators and child pornographers than ever before. Cases involving the abuse or attempted abuse of children, including the collection of child pornography, are among the highest priority matters handled by the United States Attorney's Office for the District of New Hampshire." Attorney Colantuono praised the United States Postal Inspection Service for its diligent work in bringing to justice those who would collect horrific images depicting sexual abuse of children.

The defendant will be sentenced on July 21, 2006. This prosecution is being handled by Assistant United States Attorney Helen White Fitzgibbon.
